Happiest of Holidays

I want to take this opportunity to wish all of the Brown School students and families a happy and healthy holiday season. I hope the next two weeks are filled with relaxation, laughter, and quality time with loved ones. As we approach the end of 2019, I find myself reflecting on the first few months of the school year and how rewarding each and every day has been. The students at Brown are not only intelligent and hardworking, but they are kind. They take care of themselves and look out for each other. I could not be more impressed with how much they have grown already this school year and I can't wait to see what 2020 brings. Thank you for raising such thoughtful children, and for sharing them with us. I hope all of you enjoy the break, and I look forward to seeing everyone again in the New Year!

MEA Score Reports

MEA score reports were emailed to families of fourth and fifth grade students earlier this week. If you did not receive this email or are unable to access the site, then please contact Alexis Jones at jonesal@spsdme.org. Information regarding Brown's school-wide MEA data will be in next month's newsletter. Stay tuned.

Brown's Civil Rights Team led December's Whole School Community Meeting with a message about Unity. We are extremely fortunate to have such a passionate group of students helping to make sure that our school is a welcoming place for all.
