

Dental Insurance Trust Outline of Coverage Information

Highlights of the Dental Plans

- Dental insurance is a limited benefit (not like your medical insurance where something could be deemed medically necessary)
- Benefits of up to \$1,250 per calendar year
- No network - can go to any dentist in or out of the State of Maine
- No waiting periods
- Claims are processed promptly by Patient Advocates, LLC, averaging within 4 days upon receipt of claim
- Customer service is available from MSMA (1-800-660-8484) and Patient Advocates, LLC (1-800-290-8559)
- Claims are paid based upon usual, customary and reasonable charges (UCR). You may be billed the difference between the actual charge and the UCR. The UCR is determined by an outside firm and updated every 6 months.
- Dependents are covered up to age 26
- MSMA administers COBRA and retiree benefits
- Benefit are extended into retirement with no reductions in benefit

Group Dental

Maine School Management Association offers four dental programs through the Group Dental Trust Fund. Any group of a school unit may join at one time. A group is defined as a combination of employees performing similar duties such as teachers, administrators or support staff.

Maine School Management Association acts as plan administrator for the dental insurance trust. The team in the Group Insurance Department is ready to help members understand their benefits and offer education to staff who administer the programs in their schools. Our toll free customer service/support line is:

1-800-660-8484.

Patient Advocates, Inc. pays claims for our dental program. Their office is located in Gray, Maine. The customer service team is available to all our members and their dental providers to answer claim questions. Please feel free to give their office a call at **1-800-290-8559**.

Claim Forms: No claim forms are required under the MSMA Group Dental program. Claims from your provider's office can be filed directly with Patient Advocates by mailing them to P. O. Box 1959, Gray, ME 04039. If your dental provider requires pre-payment, a copy of the receipt can be submitted to Patient Advocates for reimbursement.

Deductible: The deductible is the member's responsibility. It applies to Class II and Class III services only and is applied once in a calendar year. There is a maximum "family deductible" equal to three times the individual per calendar year.

Usual, Customary, & Reasonable: (UCR) The UCR charge is the amount that most providers in any given geographical area most often charged. The insurance will pay 100%, 80% or 50% of UCR depending on the level of service of which is performed. You may be billed for the difference between the actual charge and the UCR.

Notice of Information Practices

THIS NOTICE CONTAINS IMPORTANT INFORMATION ABOUT MSMA GIT & DIT PRIVACY PRACTICES. PLEASE REVIEW IT CAREFULLY.

I. What is this notice?

To effectively administer our health, life, disability, flexible benefit and dental plans, MSMA GIT & DIT must collect and disclose protected health information. We consider this information private and confidential and have policies and procedures in place to protect the information against unlawful use and disclosure. This notice describes what types of information we collect, explains when and to whom we may disclose it, and provides you with additional important information. If you have questions about this notice, please call our customer service number, 1-800-660-8484.

II. What is “protected health information (PHI)”?

Protected health information (“PHI”) is information that identifies an individual enrolled in MSMA GIT & DIT health, life, disability, flexible benefit and/or dental plans and relates to the person’s participation in the plan, the person’s physical or mental health or condition, the provision of care to that person, or payment for the provision of care to that person. PHI does not include publicly available information, or information that is available or reported in a summarized or aggregate fashion but does not identify any individual person.

III. What types of personal information does MSMA GIT & DIT collect?

Like all companies providing benefits, we collect the following types of information about you and your dependents:

- Information we receive directly or indirectly from you or your employer through applications, or other forms, in writing, in person, or by telephone (e.g., name, address, social security number, date of birth, marital status, dependent information, employment information, medical information).
- Information about your relationship and transactions with us or our affiliates (e.g., health care claims and encounters, medical information, eligibility information, payment information, and service request, appeal and grievance information).

a. How does MSMA GIT & DIT protect this information?

At MSMA GIT and DIT, we restrict access to PHI to those employees who need it to provide products or services to you and your dependents. We maintain physical, electronic and procedural safeguards to protect PHI against unauthorized access and use. For example, access to our facilities is limited to authorized personnel and we protect information we maintain electronically through the use of a variety of technical tools.

IV. What personal information does MSMA GIT & DIT use or disclose to third parties, and for what purposes?

We do not disclose PHI to anyone, except as permitted by law. Disclosures permitted by law typically include those described below.

When necessary for a member’s care or treatment, the operation of our benefit plans, or other related activities, we use PHI internally and share it with our affiliates. These parties are required to keep PHI confidential as provided by applicable law. Here is an example of what we do with the information we collect and the reasons it might be disclosed to third parties:

Administration of benefits policies or contracts, which where applicable may involve claims information; coordination of care, benefits and other services; response to member inquiries or requests for services; building awareness about our products and programs; information regarding grievance, appeals; and external review programs; and benefits and program analysis and reporting.

V. Why is it important that PHI be used and disclosed as described above?

We consider the activities described in Section V to be the key for the operation of our benefit plans.

VI. What does MSMA GIT & DIT do with personal information about members who are no longer enrolled in a MSMA GIT or DIT plan?

MSMA GIT & DIT do not destroy PHI when individuals terminate their coverage with us. The information is necessary even after an individual leaves a plan, and in many cases is subject to legal retention requirements. However, the policies and procedures that protect that information against inappropriate use and disclosure apply regardless of the status of any individual member.

VII. How is this notice distributed?

We plan to distribute this notice to all subscribers and the employers who sponsor our plans. **We reserve the right to change the terms of this notice and to make the provisions of the new notice effective for all PHI we maintain.** Updates of this notice can be requested by calling the toll-free number.

VIII. What should a person do if he or she believes this policy has been violated?

If you believe this policy has been violated with respect to information about you or your dependents, please call the Director of Insurance Programs on the toll-free Customer Service number, 1-800-660-8484.
